Affiliates and partners of  
this programme include:

University of Bedfordshire, UK  
Articulation pathway to complete the  
final year degree

## Introducing Fashion

The Diploma in Fashion at Cyberlynx combines fashion business elements as well as athletic leisure and modesty fashion. The programme covers business-centric modules that gives students wider options beyond designing, providing students with a stepping stone towards establishing their own labels, or working in different areas of the fashion industry such as marketing or merchandising.
