Earn Your Business Microcreds

Leading to Diploma in Business Administration

With Cyberlynx's 100% Online Business Microcreds programme, you can now study whenever and wherever you choose with a mode that supports flexible, affordable and credible learning. The idea of this programme is to award Micro-Credentials (bite sized qualifications), leading to an accredited Diploma in Business Administration (DIBA). Our flexible teaching also means, if you travel often or need to relocate, you can continue to study wherever you go. Students holding a DIBA qualification will benefit a direct entry into Year 2 in Bachelor of Business Administration or Bachelor of Commerce at Curtin University with the choice of enrolling with Malaysia, Australia, Dubai or Mauritius campuses.

Pre-recorded video lectures and live streaming sessions will be conducted in English through its own unique method of distance learning, called 'FAST' learning.:

FLEXIBLE

Students work where and when they choose to fit in with jobs, families and other commitments.

ALL-INCLUSIVE

Students will be supplied with all high-quality materials they will need for their studies.

SUPPORTIVE

Lecturers provide academic expertise, guidance and feedback and run assessments; and the E-learning team is on hand to help with other aspects of online learning.

TEAM-SPIRIT

Students get together through tutorials, live streaming sessions, study networks and course forums.

01

WHAT WILL I LEARN?

To make a difference in your future career, you need to equip yourself with the right business skills and knowledge. In this course, you will be able to understand and apply knowledge and business administration skills in a competitive business environment.
